To whom it may concern

It gives me great pleasure to endorse and contribute to the many dignitaries who have congratulated Rafik for his work and commitment in helping disadvantaged people around the world.

I have known Rafik for over 20 years.

A one-man operation, Rafik has made the "Dreams Come True" of thousands of disadvantaged individuals over the past 40 years which is completely voluntary work, which has become an unpaid full-time occupation.

Raf-Fixed-It "Dreams Come True" – Founded 1983

Making the wishes of Disadvantaged people come to life.

Helping The Homeless – Founded 1986

Each and every year during the Christmas period, feeding the homeless, finding shelter, and accessing health.

The International School of the Media for the Disadvantaged – Founded 1987

Providing training & education opportunities to the disable & disadvantaged to enter the media industry.

London Community TV – Founded 1998

Produce a service for the community by the community in a vibrant, live, topical and distinctive style with special focus for the disadvantaged communities.

Every Child's Right To Play – Founded 2002

Campaigning for the rights of disabled children to enjoy play, & to have rides such as wheelchair roundabout ride, Ability Swing, Rolli Wheelchair Trampoline to be installed in parks.

Accessibility & Usability - Disabled Home Adaptations - Founded 2007

Adapting homes and commercial buildings for use by people with disabilities.

I congratulate Rafik on the above achievements and his 40th anniversary in helping the most vulnerable in our society.
